Join us for the 10th year of the ACRiX Tri-Cities Program at Club Aviva!

ACRiX provides fun and physical challenges for youth who wouldn't usually access traditional sports in a supportive setting.

This year's program will focus on trampolining with some juggling, acrobatics, tumbling and parkour. At the end of the 7 week program, participants will showcase what they've learned for family and friends.

COST: \$20 for those who qualify (includes insurance) (full subsidies available if necessary - no youth will be denied for lack of funds. Limited spaces available for others at a higher cost.)

WHERE: Club Aviva, 98 Brigantine Dr., Coquitlam (Bus #159 from Braid Station or Port Coquitlam Station, bus stop in front of building)

WHEN: Saturday afternoons from February 3 to March 17

WHO: YOU! Youth (aged 9-19) who want to learn trampoline and circus skills

INSTRUCTORS: Gymnastics, circus and trampoline coaches

REGISTER TODAY! Call Dale Bryant at 604-944-0669, email acrix@tcmts.ca or visit <http://tcmts.ca/acrix>

This program is for youth who otherwise would not have the opportunity to be involved in an activity like this.

This session of the ACRiX Tri-Cities Program receives support from Club Aviva, the Symington Endowment Fund, Gymnastics BC and KidSport Tri-Cities.

The West Coast Movement Therapy Society, a not-for-profit society, is delivering PLAY Gymnastics BC's ACRiX Program in the Tri-Cities.
